EUREKA: ACTION X2 ALSO IN 2020

Eureka has stood by the side of our fellow human beings in need for another year, donating products worth € 50,000. The company, in the context of strengthening the protection measures against the spread of the coronavirus as well as the improvement of everyday life in general, provided products to organizations & foundations that provide assistance or hospitality to families in need, people with disabilities, our elderly citizens, orphans or abandoned children, in the areas of Athens, Thessaloniki and Volos.

At the same time, in these difficult conditions that our society is experiencing, Eureka supported its employees by proceeding with a horizontal increase of 3% of their salaries, as a move in recognition of their dedication and effort to meet the needs of consumers at this time.
