

PRESS RELEASE
September 2023

Donation from EUREKA to flood victims

In cooperation with the Region of Thessaly, EUREKA, a production and distribution company of household care and hygiene products, proceeded to donation to the flood victims of Volos and other affected areas of Thessaly.

EUREKA, along with the assistance of competent authorities of the Region who handle the donations of companies and organizations, offered 12,000 pieces of AROXOL products so as residents to deal with the increase of insects predicted by experts, due to standing water in the area.

The company and its employees, with a high sense of social responsibility, will continue to be by the side of the flood victims who have been affected by the recent storm Daniel.

EUREKA carries products of important brands in both Greek and international market, such as the homonymous brand Eureka, AROXOL, TOPINE, FLUP, FRESH AIR etc., which are produced in the modern, technologically advanced factory of the company, in the Industrial Area of Volos.
