

**PRESS RELEASE**  
December 2025

**EUREKA HELLAS**  
**Long-standing support through significant donations in 2025**

As part of its Corporate Social Responsibility program, EUREKA HELLAS made monetary and product donations which exceeded 100,000 € for the fifth consecutive year.

These donations were addressed to reliable foundations & organizations across Greece that support vulnerable social groups including:

- “The smile of the child”
- Organizations supporting people with health problems and families facing serious living difficulties, such as:
  - UNESCO Group of Piraeus & Islands
  - “Kid & Family” – Volunteer Organization
  - “Hippocampus” – Association of Physically Disabled People of Magnesia
  - “Volunteers of the World”
  - “Theofilos” – Organization supporting large families
- Daycare centers
- Social Grocery Stores
- Nursing homes and clinics

From 1959 to today, EUREKA HELLAS has been creating and delivering innovative, high-quality products aimed at improving and simplifying the daily routines of millions of people in Greece and abroad.

The company’s continuous social contribution reflects its long-standing role as a responsible corporate citizen, making a tangible contribution to society. Supporting organizations that carry out meaningful work is based on the belief that business growth is inextricably linked to social progress; therefore, the company remains committed to continuing this effort with consistency and responsibility.

*EUREKA owns a strong portfolio of well-established brands in both Greek and international market, such as the homonymous brand EUREKA, AROXOL, TOPINE, FLUP etc., which are produced in the modern, technologically advanced factory of the company, in the Industrial Area of Volos.*
